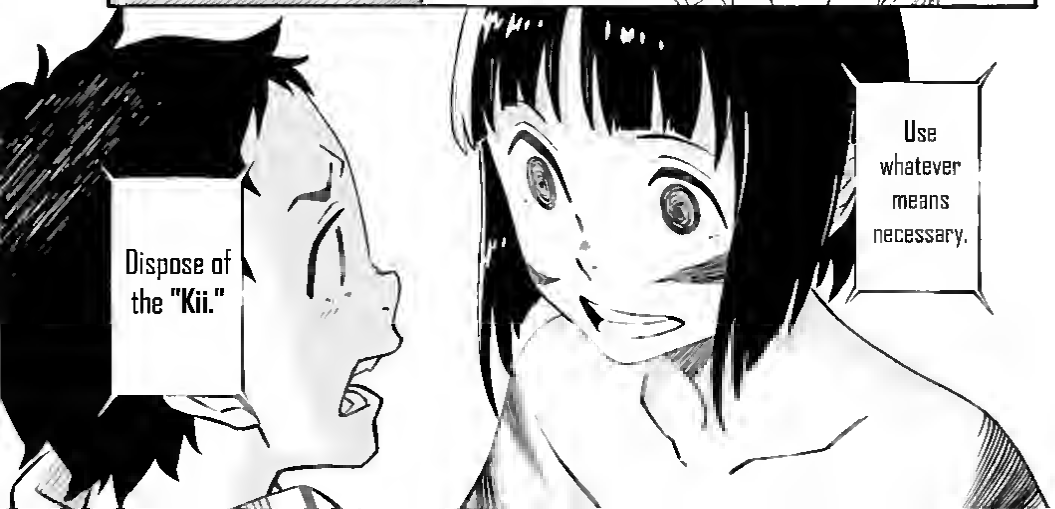
...This is-
I'll send you a photo.
I still need to confirm, but...

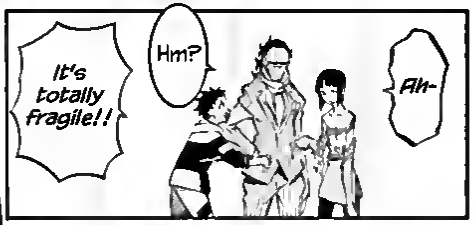
Nothing.
What's wrong?



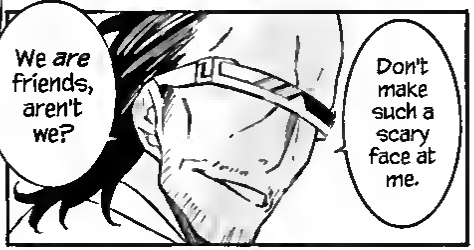
Dispose of the "Kii."
Use whatever means necessary.

Ta-dah!
Wh-what in the world is that?
Robust special material wear!
We can't keep her naked forever, right?
She's a girl, you know?
For now.

Kagerou-kun.
……



It's totally fragile!!
Hm?
Ah-



We are friends, aren't we?
Don't make such a scary face at me.

Friends!?

Don't kid with me!
Who would want anything to do with you guys-
Then are you fine with... that?
Don't you want to make it human again?
You see, we are... collecting Dross and researching them for the sake of changing them back into humans.
If we could examine this Dross, which we've never seen before,
We might uncover a clue which could change it back.
It's not of ill intent! We aren't going to kill it either.
You want to use Momiji as a test subject!?
It just seems like it'll only be obedient when you're beside it...
If you control it and cooperate with our research,
we will, with all our might, search for a means to change it back to human.

Can you... change her back?
Then.....
all of us have a similar desire.
I don't know. But,
Okay, sure thing, Kagerou-kun,
Momiji-chan
from now on,
you will stop calling Momiji an "it"!

Wh-what's wrong, Momiji?
Woah-
ギュッ
That said, that's the uniform I brought for myself...

How lame...
A clothed Dross...
I don't approve of this! A Dross being *friends* with a stinking brat like you!
Kiri-chan, could I ask you to be a bit more friendly?
Friendly, my ass.
These damn Dross...
ズッ
We should just kill 'em all!

So you're Hachiya Kiri, huh!?
I don't really give a shit about you, but keep your hands off Momiji!!
So this is the fabled son of a bitch, Kuzumi Kagerou-kun!
Are you gonna confess to that sweet airhead?
ビビビビ
ヒョッ
Sorry to interrupt while you two are getting excited,
but we've got an enemy.

Huh!?
You two go and exterminate the Dross!
In Area A-3.
One of them, huh...?
That's it!
Guh-
It's punishment for you getting carried away a while back and destroying our company.
Why do I have to babysit-
I'm counting on you to lead Newbie-kun, Kiri-chan!
Sorry that this is a bit sudden, but I'm relying on you, Kagerou-kun.
I'll also be counting on you for the sample, which will be used for the sake of returning your girlfriend back to normal.
Ask Kiri-chan for any specifics

"Ashen One"?
Ashen Ones, or Dross, turn to ash 15 minutes after they show up, vanishing completely.
Because of this, Dross haven't been sought after in our society.
Well, our company is encouraging it
and keeping it a secret...
That said,
For now, let's quickly kill it and retrieve the sample.

There's no way I'd leave her alone there!
Why is that Dross coming along with us!?
You know, stinking brat...
Tsk-
That said, she ain't a Dross! She's Momiji!
And we Kindled Ones are the monsters who kill the Dross!
That thing's a Dross! A monster that kills people!
If that's the kind of person you wanna act like,
I don't give a rat's ass about what you want to call her!

do it elsewher-

Shit...
What the hell-
Wha-
!?

ドチャッ
Dross Extermination, complete~
Do you get it now?
Both the Dross and us Embers aren't ordinary!
We're not human!
If we don't think like that,
we won't be able to continue on...

Then what the heck?
If we aren't human,
who cares if we're monsters!?
"Who cares"... Yeah, well we're-

Crap!
It's the cutoff time!
You help too!
Before they turn to ash!
Hurry up and retrieve-

Are you okay, Momiji!?

"Kii"?
Annoying...
Kii-
This is the second one in such a short period of time!
There's never been a talking Dross or one that wouldn't turn to ash, and yet...
Just what the hell is going on...
Hey! Virgin!
Huh!?
The Dross just now, her, and even you, all acting like humans...
Annoying!
Seriously!

After all, the only reason why you want her to change back to normal
is because you wanna *bang her*, right?

In that case,
Ah!?

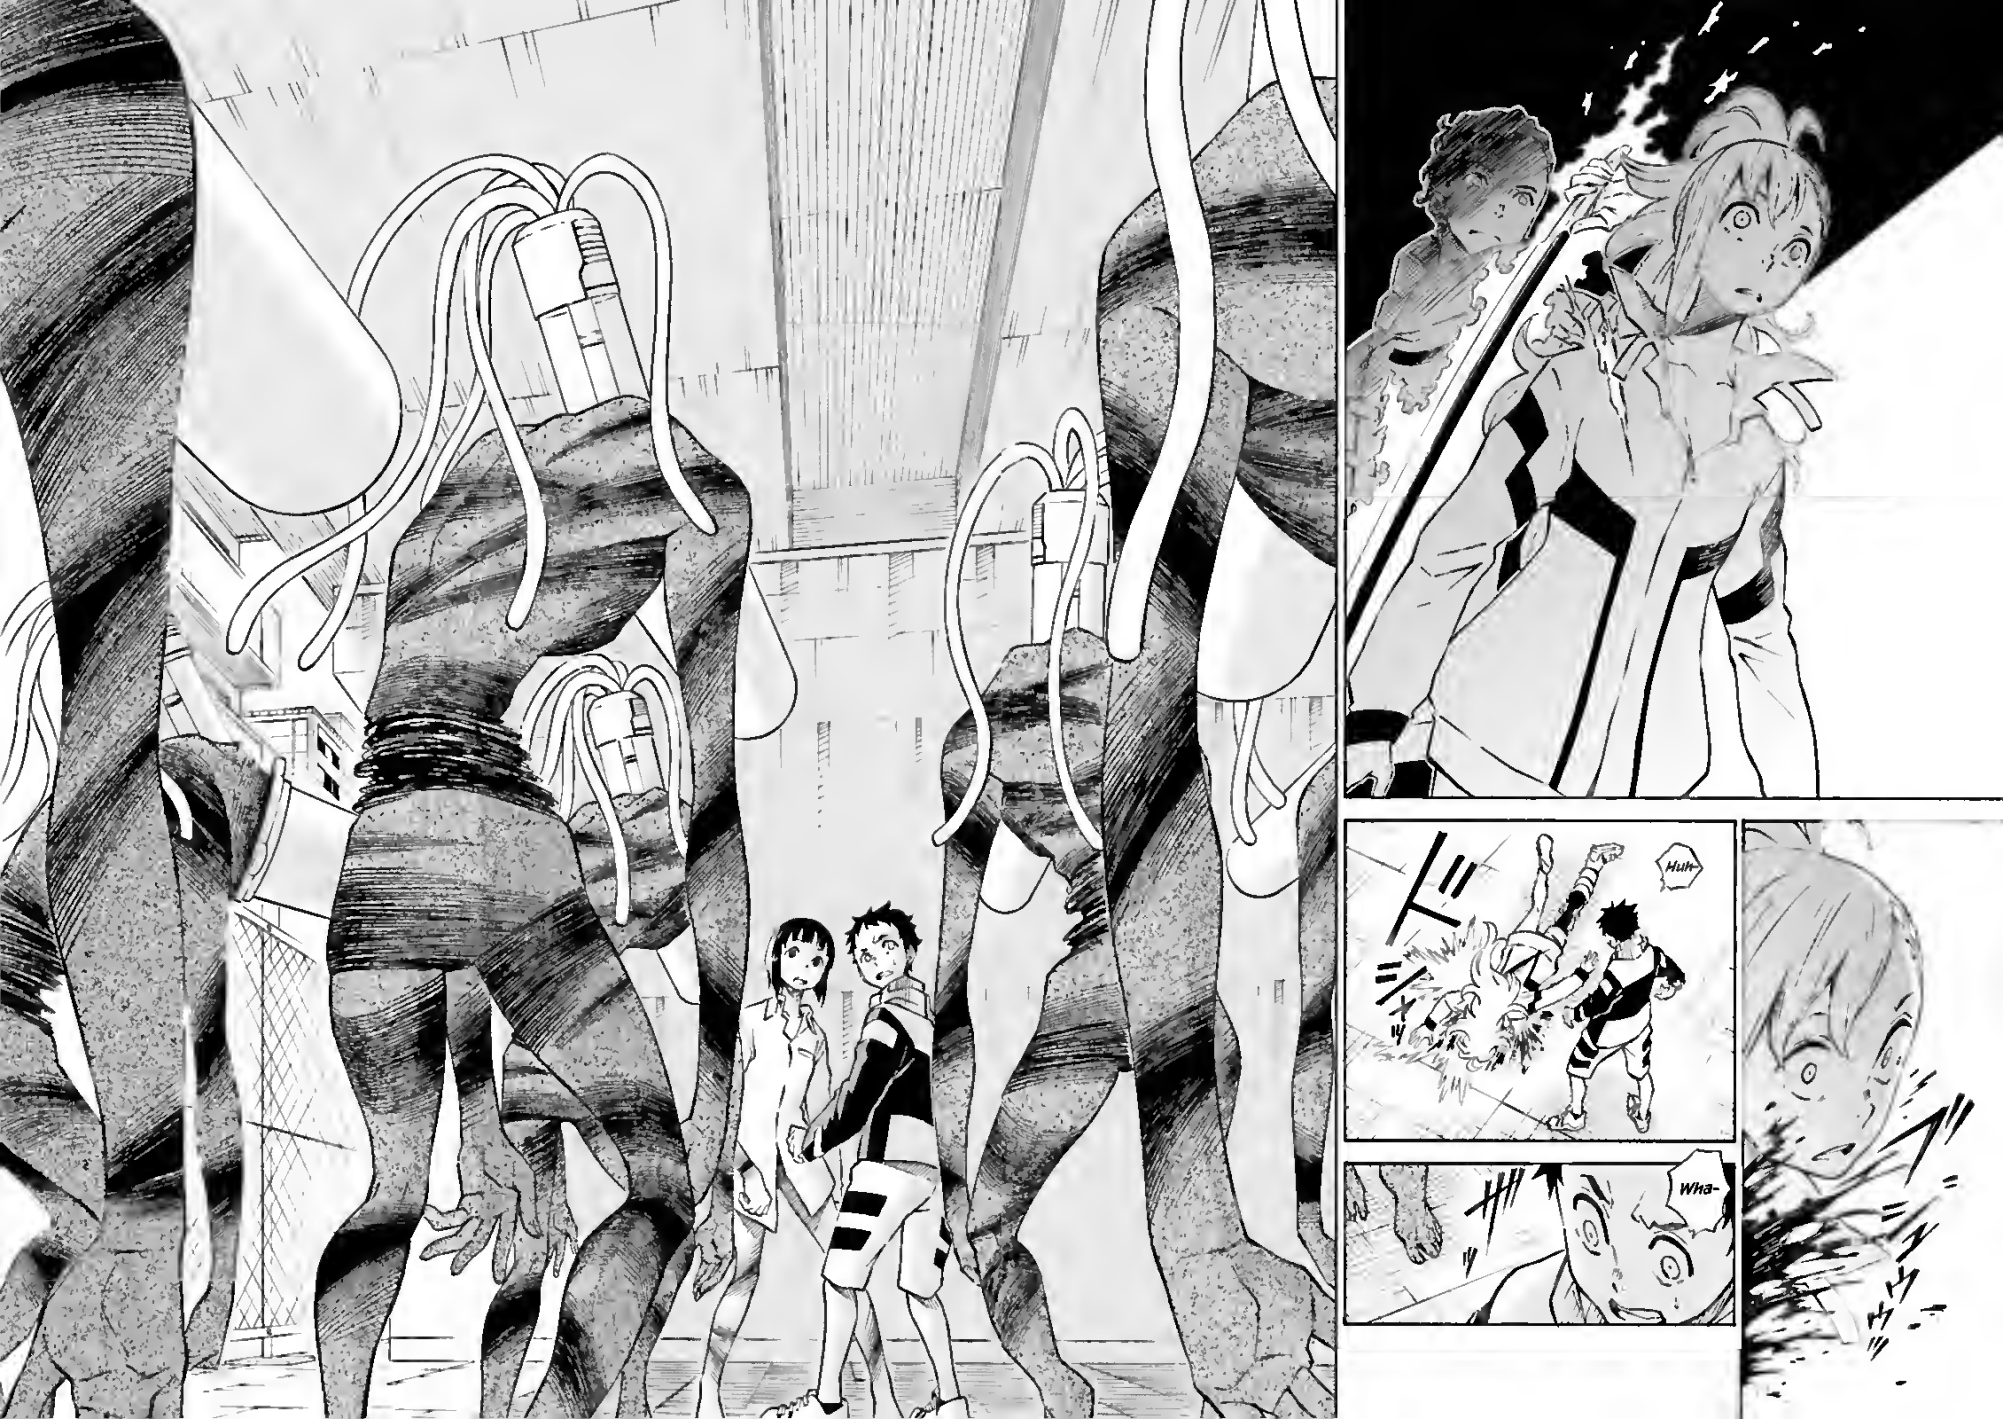
Let me do her in!
Huh!?

in exchange for letting you bang me,
let me kill her!

...Huh!?
[T/N] Holy shit, did he just punch his own dick?
Such a dirty thing...
I'm not thinking about it...
What're you doin-
Grr, you...
Don't we both want everyone to return to normal!?
To begin with, why is there a need to kill Momiji!?
I don't ever want to consider it with Momiji!
Non-sense.

It's just, I...
It's not like I really want to return to normal.
I just want to be accepted, so...
So...
I'll kill the Dross.
I'll kill each and every one of them.
So, I don't mind being a monster until I am.

And if you get in my way, I'll kill you,
and her-



Huh-
Wha-

That Dross
must not exist in this world.
I will dispose of it.
